

CHARLES TURNER

Charles Turner is the MD of Edward Turner and Son Ltd which owns a group of companies in UK and overseas specialising in the manufacture of machines knives and industrial blades under the Durham-Duplex brand. He is a modern Cutler with the scars to prove it!

Charles is an ex-Army officer and chairs the “Made in Sheffield Mark Steering Committee” on behalf of the Cutlers’ Company, Sheffield City Council and the Chamber of Commerce. He is a Guardian of the Sheffield Assay Office and is also non-exec Chairman of Fripp Design, a Technology start up at the Advanced Manufacturing Park.

He has been a Freeman since 2000 and a Member since 2007. His Father, The Hon Neil Turner OBE DL, was the 365th Master Cutler in 2003/2004.

Outside of work his interests centre on his family and friends. When released into the wild he can sometimes be found shooting, watching rugby, or playing guitar.
