

## Charles Turner

Charles Turner is the MD of Edward Turner and Son Ltd which owns a group of companies in UK and overseas specialising in the manufacture of machines knives and industrial blades under the Durham-Duplex brand. He is a modern Cutler with the scars to prove it!

Charles is an ex-Army officer and chairs the Made in Sheffield Mark Steering Committee on behalf of the Cutlers Company, Sheffield City Council and the Sheffield Chamber of Commerce. He is a Guardian of the Sheffield Assay Office and a Deputy Lieutenant for South Yorkshire.

He has been a Freeman since 2000 and Member since 2007. His Father, the Hon Neil Turner OBE DL, was the 365<sup>th</sup> Master Cutler in 2003/2004.

Outside of work his interests centre around his family and friends. When released into the wild he can sometimes be found trying to keep fit, shooting, watching rugby, or playing guitar.
